

EMERGENCY PLAN For North Molton

The purpose of this plan is to provide a rapid, local response to prevent or diminish the effects of an emergency in the North Molton area. It does not in any way replace the 999 system which people should use to summon assistance from Police, Fire and Ambulance Services.

It will be activated whenever the Parish Council Chairman or Vice-chairman and two other Parish Councillors consider it necessary.

Examples may include: prolonged snowfall isolating individual households; flooding; large fires and anything which has the potential to cause death, injury or serious damage to property. When the Emergency Plan is activated, parish councillors will coordinate the use of local amenities and resources. This will include:

- Calling upon people with specialised skills and equipment;
- Distributing sandbags;
- Arranging emergency accommodation; and,
- Ensuring the relevant Devon County Council resources are utilised.

***If you are a First Aider, or have access to cutting or lifting equipment and would be willing to help if called upon to help in, or prevent, an emergency, please contact any member of the Parish Council.
Please do this now.***

Remember there is a defibrillator kept in the porch of the Poltimore Inn, North Molton. It can be used by anyone, without training, to help revive someone who is unconscious and has stopped breathing. Inform the Ambulance Service, via 999, if the machine is used.

Useful contacts:

North Devon District Council - (01271 388870 or, out of hours, 01271 388240);

North Devon Council Highways Operations Control - Damage to roads: 0845 1551004 - Weekdays 8am to 8pm.+ Sat 9am-1pm - Outside these times: 01392 383329 can be used to report any serious damage to roads such as potholes, etc.

Environment Agency Flood-line Warnings. Members of the public can sign up to receive free individual warnings by telephone, text, email and other services. www.environment-agency.gov.uk
