

**ORD2301948: Patching works:
Road from Kinsford Gate Cross to Northland Cross**

Friday 16th August 2024

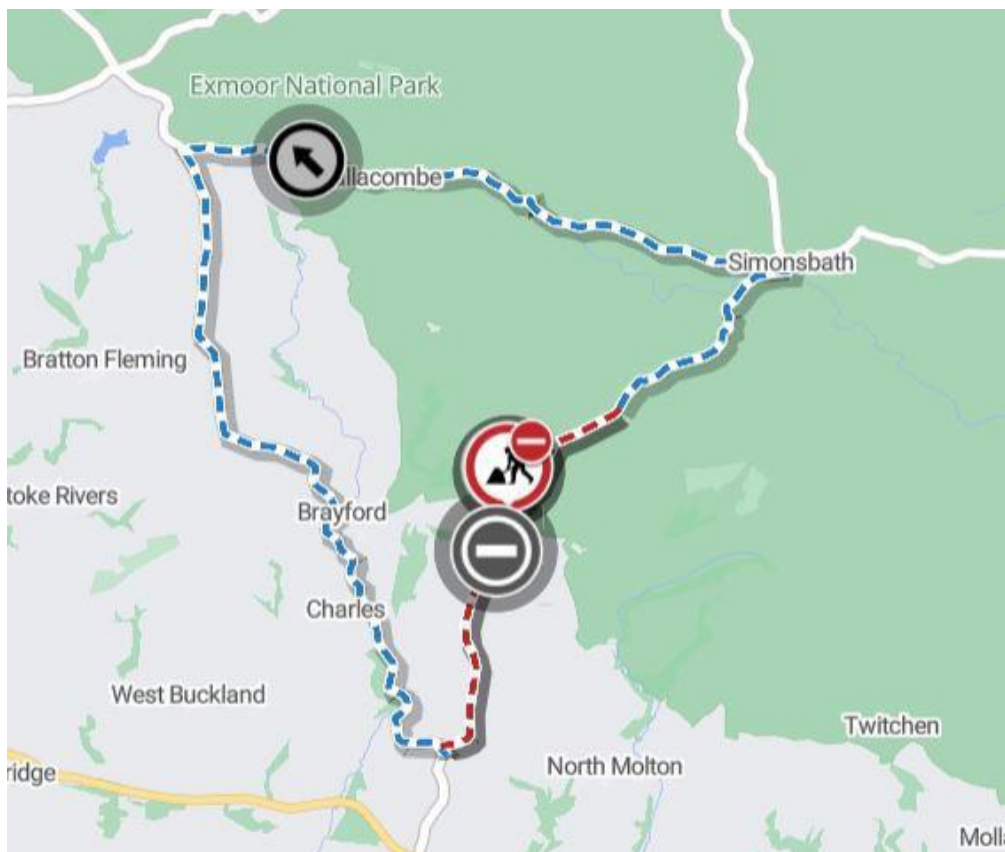

Devon Highways will be carrying out patching works on the Road from Kinsford Gate Cross to Northland Cross between Thursday 5th – Tuesday 17th September 2024.

We will be working in three sections due to the length of the works' site:

- Kinsford Gate Cross to Yarde Down Cross
- Yarde Down Cross to Molland Cross
- Molland Cross to Northland Cross

Due to the nature of the works a road closure is required on the section where we are working and the diversionary route for traffic will be signposted and advance signs will also be placed on the Highway. Emergency access will be maintained, as well as access for residents.

Please see the road closure and works area highlighted in red on the map below, there will be a signed diversion route which is shown on the map in blue. Drivers with local knowledge will be able to use alternative side roads but these will not be publicly advertised for safety.

We apologise in advance for any inconvenience caused, including noise. We will endeavour to keep all disruption to a minimum and appreciate your co-operation. Should you have any questions please contact us and we will do our best to try to help.
