## 24 Hrs Closure – West Buckland South – August 2024

The closure continues at West Buckland and is required to allow new drainage work, kerb installation and new surfacing associated with the junction improvements.

The closure of the southern arm of West Buckland junction will require restricting the turning movements. Turning in and out of the Southern arm will be closed for a further week until 12th August and the Northern arm Right Turn will also be closed from **5th – 12th August** due to the temporary lane narrowing to the A361.

Diversion route for West Buckland South is shown on Page 2. The diversion route for the right turn closure into the Northern arm will be to continue along the A361 to Landkey Roundabout turn around and back onto the A361 East Bound, then turn left into West Buckland North.

We apologies for any inconvenience.
